Cashier Panel

This Panel is divided into 2 parts:

New ticket actions allow you to sell new ticket

First you need to select the ticket type

For the point ticket you need to select point count

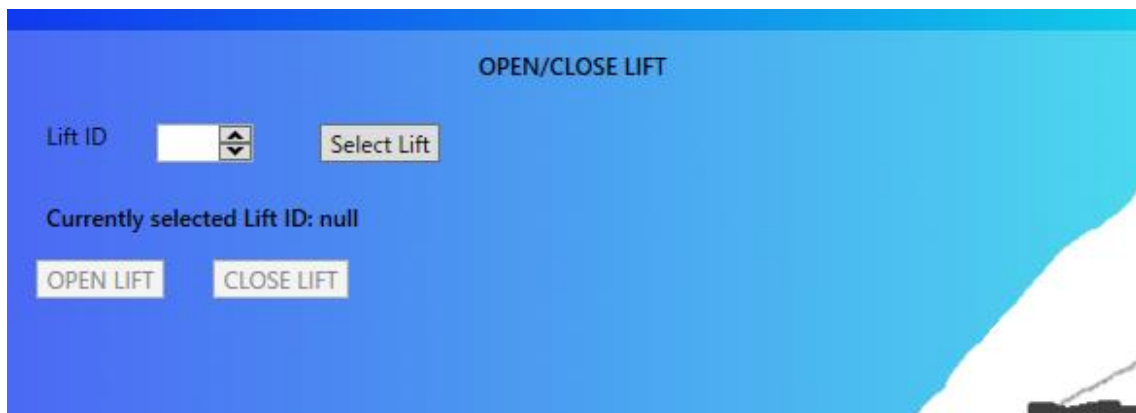

For the ski pass you need to select pass expiration time

Click 'Sell New Ticket' to sell the ticket

Existing ticket actions allows you to display ticket summary, lock ticket or refund ticket.

To do it you need to insert Ticket Id in 'Ticket ID' Field and click the corresponding button.

Open/Close Lift Page

Lift ID - insert lift id of the lift you want to modify

Then click Select lift button and open or close selected lift by clicking 'Open Lift' or 'Close Lift' buttons
